	presentation, demo to client	
--	------------------------------	--

Accomplishments from last week:

- Client came on campus
 - Introductions, finally met the client!
 - Gave demo of progress so far
 - Asked and answered questions about the project
 - Overall, client seems happy with the project, but eager to keep moving forwards
- Now that the demo is over, we've started prepping for the final presentation

Topics Discussed:

- The feedback we got from our client
 - Some stuff with project direction, technical details
 - Client provided us with some new data & software to play around with
- Topic and structure for our final presentation

Upcoming Week

- Keep working on final presentation
 - Need to finalize slides, give people speaking responsibilities, and practice for timing
- Actually *give* the presentation
